

TRUE JOYOUS HEART

Jana Samuel Rajiv Kumar
Assistant Professor
Vignan's Lara Institute of Technology & Science
Guntur, Andhra Pradesh

Strange dawn begin with Strange taut within;
Strangling life veiling joy,
Unscrupulous of own House,
Engaged, Engaged, Engaged time.

Toiling to earn seeking the transient,
Agnise! Mr. Sojourn, embrace the joy;
Chunk of money cannot bring euphory,
Clasp the bliss before you are dust.

Family? With old with crippled;
Ensured homes to this onus?
Beware! Young, by and by you are one,
Stop your run and mull over ménage.

He gave you all not to cast off,
Feel and enjoy there is no puny;
Not in nature not in family,
All is beautiful, open and you see.

"Sculpt the name indelible in hearts,
Be the liked to the God."
