

AFFLICTED

Dr. S. Anita Evelyn, Associate Professor,
R.M.K. Engineering College, Chennai, Tamil Nadu, India

Attire of bloody bruises

Falcon mighty be

For a ransom given,

Languishing on the cross – tears ridden...

Innuendoes of HIS life – listened

Cumbersome – yet, HIS will fulfilled

Thwack minced words uttered...

Excruciating – yet agreed

Docket eventually – for you and me!

ARPEGGIO

Dr. S. Anita Evelyn, Associate Professor,
R.M.K. Engineering College, Chennai, Tamil Nadu, India

Heart strings knot squeezing an ugly face
Twisted and twined at every pace...
Know not a way to pine mine sorrows on
'tis life I opine and move on...

Nightmares sweat out all night
When eyes I open – flies away my fright
Mind blowing things happen only to me
Blowing off my pride and happiness ever, should it be?

Fault of mine to trust? I ponder...
Know not what's in store lying yonder
How happy weren't I singing "goosy goosy gander"
Wish life was that – wouldn't pass further!

In this world...to lead life
Isn't it hard? Many a compromise...
For the society – smile must you
Shedding bloody tears every time the strings tighten you...
