

## **'LIGHT IN THE DARK' (Poem)**

**Vangala Ravinder**

When I was weak  
when I couldn't speak  
when I couldn't see  
when, you made me see

When I couldn't fly  
when I could touch the sky  
when you gave all back to me  
when you made me see

When the joy you brought  
When the wrong you made it right  
when those times you stood by me  
when you made me see

When the dream you made it true  
when the love I found it in you  
when you never let me fall  
when the truth forever I recall

when you be with me always !  
when my world is better place !  
when light in the dark you gave it back to me !  
when you made me see.
