*Books are my umbles
I want to read with mumble
I don't want to crumble
While I am in mumble
Mathematics has lot of numble
I want to learn with rumble
Then I will show my grumble
I don't want to become fumble*

*I want to play with difficult numble
With lot of grumble
Humble is my bumble
I am not consider books are tumble
So, I want to show my humble
On bundle of books with umble....*
